

ECONOMICS AND FINANCE STUDENT · BELGRADE, SERBIA

Marko Bera

markobera749@gmail.com +381 60 063 7486 markobera.com

First-year student of Applied Economics and Finance. I'm curious, I pick things up fast and I adapt quickly. I worked at the head office of NLB Komercijalna banka, in non-performing loans. Finance interests me because it moves everything, from healthcare to construction and logistics. Open to jobs and internships, finance first.

NLB Komercijalna banka, head office · Non-performing loans department

Paying court and administrative fees, work on disputes, the archive, email correspondence and reports.

Mihael Pavelin, crypto mentorship · Marketing and sales funnel · remote

Built the full funnel: Facebook and Instagram ads, ad and call scripts, email campaigns and calls with applicants.

Football referee · Belgrade Football Association

Refereeing league matches. Rules, quick decisions and calm under pressure. Still active.

Gas delivery · Driver and delivery

Driving the route, loading and delivering gas cylinders.

Waiter, kitchen and dishwashing · Hospitality

Serving guests and handling the bill, prep work, keeping the kitchen clean.

Gym · Front desk and maintenance

Front desk check-ins and machine maintenance.

PROJECTS

free time · video → markobera.com

FSB Doprinosi

App for match-fee payments in the Belgrade FA. The office used to check bank statements by hand; now referees see what to pay and the office sees who paid. Live.

FitMess

Calorie tracker for Serbian food, approved on the App Store. A meal is logged by photo, voice or text.

Protectum

Prediction market for Serbia with play money. iOS app on TestFlight and a live website.

Vision Guard

AI for ordinary security cameras: a rule in plain words, a photo alert on Telegram.

Lead Finder

Found 2,394 Belgrade businesses, 751 without a website. Built 12 websites for sales pitches.
